Fellow Arrowmen,

Our August and September Ordeal weekends are approaching quickly! All Arrowmen (Ordeal, Brotherhood, and Vigil) are strongly encouraged to attend these weekends of brotherhood and cheerful service. I challenge all current Ordeal members to come and seal their Brotherhood in the Order of the Arrow. I need all Brotherhood members to help in service to their camp and relive their Ordeal as an elangomat. Finally, to those scouts who were just elected by your peers into the Order of the Arrow, this weekend will be one of the most memorable experiences of your scouting career.

Ordeal candidates should bring a tent, sleeping bag, a tarp, poncho, and a set of "grubbies" along with a full Class A Scout uniform. This is a work weekend so be prepared! Adults should bring tools to use and any materials that can contribute to a camp improvement project. All Ordeal and Brotherhood Candidates should make a small arrow with a string to wear as a necklace throughout the weekend. Don't make it too fancy; Brotherhood candidates will not be keeping it. Please check in no later than 7:00 PM Friday night. Check out is around 10:00 AM Sunday

morning.

Also, at the September Ordeal, the lodge will hold its annual elections for lodge officers. Come and vote for YOUR 2010-2011 lodge leadership! I can't wait to see a record number of Arrowmen at these ordeals! I look forward to seeing all of you either in August or September.

Yours in Brotherhood,

Justin Crisafulli

Secretary
